Doug LaMalfa

Family Farmer/Member, United State House of Representatives

America's middle income families, workers and small businesses are struggling to make a better life and our nation faces serious threats from terrorism. The values I learned growing up on the family farm are needed in Washington and I am working hard to bring those North State values to Congress.

As your representative, I have:

Passed legislation in the House of Representatives to protect north state water and build new water storage, including Sites Reservoir. This project means jobs and water for our district.

Voted for significant tax reductions for Families, Small Businesses & Farms. I'm proud to be endorsed by the Howard Jarvis Taxpayer's Association.

Worked to slash debt and waste and balance the federal budget.

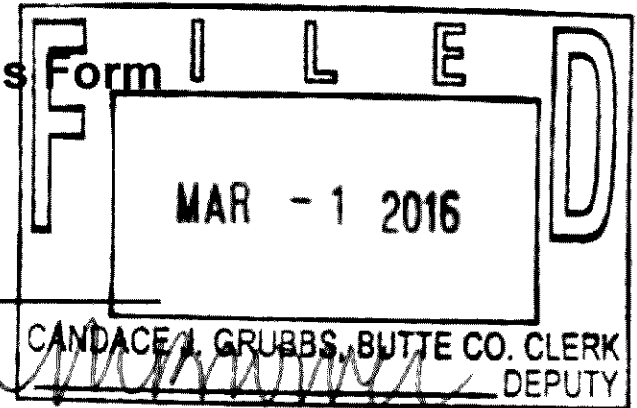

Voted to increase America's national security, strengthen our military and help our veterans get the care they deserve.

Fought to defeat President Obama's new oil tax, repeal Obamacare and reign in out of control federal bureaucrats and tax-hikers.

Government cannot and should not do everything. When big government is the problem, more government is not the solution. I'd be honored to receive your vote. Please visit www.DougLaMalfa.com.

Your statement and word count begin here:

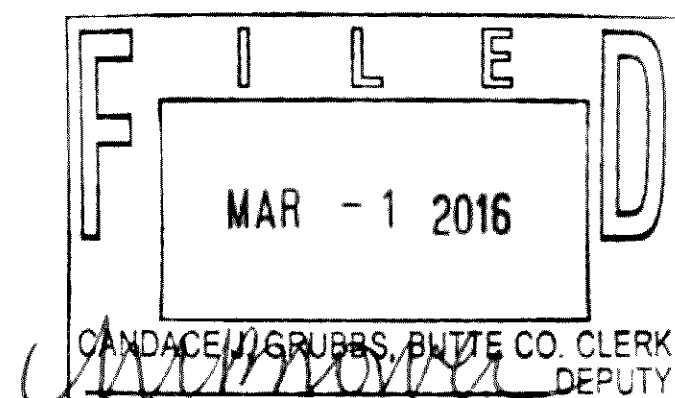

JIM REED-Electrical Engineer, Attorney & Taxpayer Advocate. President Eisenhower warned us about the Military Industrial Complex; his warning has been ignored. The U.S. Military Budget is over \$600 billion this year (more than ½ the total discretionary spending by Congress), larger than China's, Russia's, Saudi Arabia's, France's, Great Britton's & India's Military budgets combined, the 6 largest after the U.S. Much Military spending does not keep us safe, but provides extravagant benefits to certain special interest groups.

Spending on infrastructure, at the same time, is ignored. The Army Corp of Engineers estimates it will cost \$4 Trillion to repair & improve the infrastructure in the U.S. Infrastructure repair & improvement will not only make our businesses more competitive, create jobs, and give us a safer place to live, including protecting us from foreign enemies. We won World War II in large part because of our superior infrastructure and manufacturing capacity. I will be a voice in Congress to reallocate substantial spending from Defense to Infrastructure Repair.

My background in Engineering & Law and strong familiarity with the Tax Code gives me insight into what can be done to protect the environment, create jobs, close tax loopholes that favor special interests, and save Social Security & Medicare.

I believe small businesses are over-regulated while large Companies are under-regulated. When it comes to the economy, I believe during hard times it is necessary to spend more than the revenue collected, but in good times we should have a balanced budget.

My name is Joe Montes. I am a former judge and a veteran. As a judge, I kept the original meaning of the Constitution foremost in my mind. We deserve to have fewer and simpler laws that are actually enforced. The proper role of government is to protect the lives, liberty, rights and property of its citizens. To do this, I will work to eliminate trade deficits and foreign tariffs, reduce taxes, strengthen our military and build a wall to protect our borders. We need to reduce government regulation so businesses can prosper, and we need to stop the pattern of taxpayer-funded corporate welfare. We deserve better-paying jobs and more local control over education. I will fight to preserve our water resources by building adequate water storage, reducing excessive water transfers and improving water run-off from our national forests by removing underbrush. We deserve a government that balances its checkbook, protects us with a strong national defense, creates an equal playing field for businesses and doesn't force anyone to buy health insurance. I am the first in my family to graduate from high school. My five brothers and I all served in the military. I graduated from the California Military Academy, CSU Sacramento and UCLA School of Law. My wife and I call Chico home, and I've worked to bring many tech sector jobs to the area. I pledge to serve no more than 6 years, and I would be honored to have your vote. STATEMENT OF CANDIDACY FOR
STATE ASSEMBLY, 1ST DISTRICT

BRIAN DAHLE

Occupation: Farmer/Assemblyman
Age: 50

It is an honor to represent you in the State Assembly.

Since going to the Legislature I kept my promises to the people of Northern California, focusing my time and energy creating jobs while voting against regulations and taxes.

I am proud of what I have been able to accomplish. Through bipartisan efforts, I worked across party lines to save our rural hospitals and skilled nursing facilities from closing. I was able to get needed support for community college programs that actually get young people jobs, so they do not have to leave our communities to find work. Through my district office I have been able to help thousands of people and small businesses with state government agency problems; ensuring that people are represented and heard.

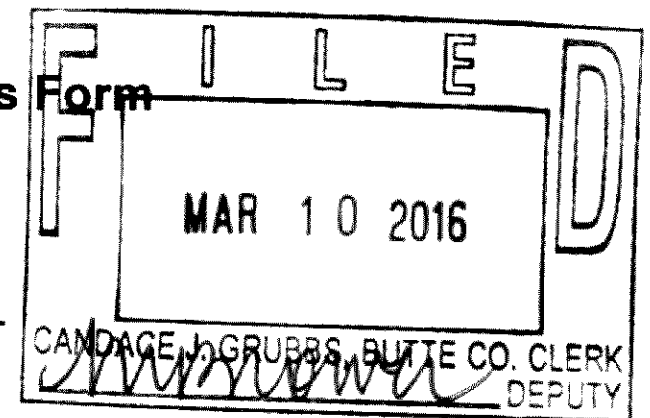

California faces many challenges and there is still much work to be done in Sacramento. Too many families are struggling and people are out of work. I will continue to work as hard for you and your family as I do my own.

Feel free to give me a call on my cell phone at (530) 251-3888, or visit www.BrianDahle.com.

I would appreciate your vote, thank you.

As a small business owner, State Assemblyman and advocate for area farmers and our agriculture based economy, I've worked hard to preserve the way of life that brought my family here and makes our area special.

I'll continue bring a common sense agenda to Sacramento. My priorities are to: Protect our north state water rights and increase water storage and flood protection; Stop tax increases and Protect Prop. 13; Create jobs and economic growth through less regulation and government red tape; Oppose early release of prison inmates; Balance the Budget and eliminate waste.

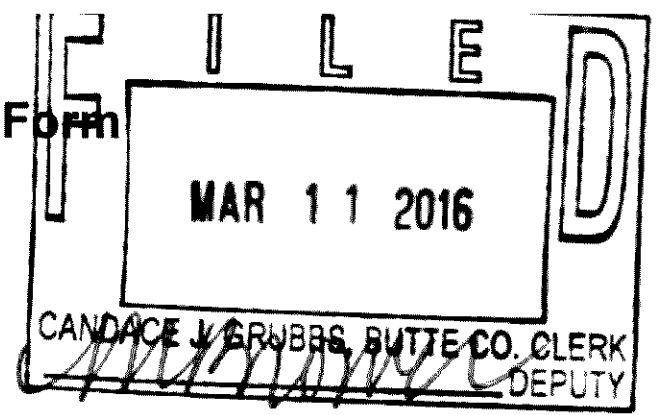

In addition to the Howard Jarvis Taxpayers Association, I'm endorsed by U.S. Representative Doug LaMalfa, former U.S. Representative Wally Herger, Senator Jim Nielsen, Butte County Sheriff Kory Honea, dozens of current and former County Supervisors from Butte, Colusa, Glenn, Sutter, Tehama and Yuba counties, as well as over 200 farmers.

I know that our values are second to none and I will defend them against Sacramento politicians who don't understand our area or care about us. I'd be honored to earn your vote and continue representing you in the Assembly. Please visit www.GallagherforAssembly.com to find out more.

ED RITCHIE

Our region is beautiful and abundant. Not only do we supply California with food, water, and lumber, we're a destination for every kind of recreation.

Yet in Sacramento, urban legislators draft laws without understanding our issues, concerns, or how that legislation will impact entire Northern California communities. We don't have the support we need to protect our water, adequately reduce fire risk, attract jobs, or build an economy resilient and vibrant enough to attract our kids to stay here.

Northern California is beautiful and vitally important to the state. We should never be an afterthought, or left out of the conversation. It's the responsibility of our representative to make sure we're engaged, our needs are understood, and that we have the right allies to impact legislation. We need leaders who can build bridges, effectively advocate, and educate urban county legislators so they better understand how laws might impact our region. And our leaders should represent the diversity of our district. There's clearly work to do.

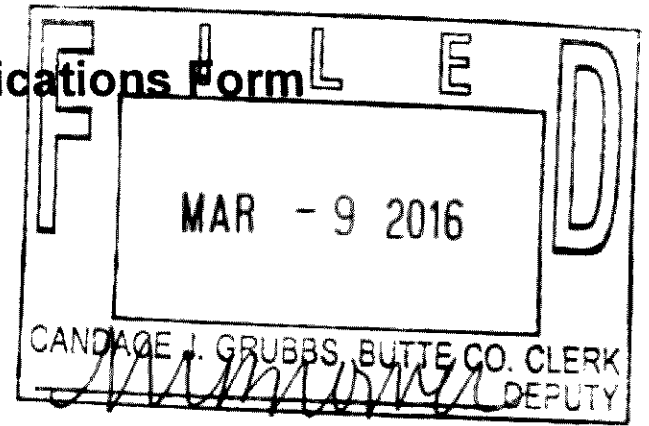

I've spent a lifetime supporting small business, local communities, and working families. I've built a strong reputation for successfully helping to overcome divisions, bring sides together, and find solutions that work for everyone. I believe in action over words, and solutions over rhetoric. I would be very honored to represent the needs and importance of our counties in the Assembly — and bring results home to you.

It's an honor to serve on your behalf as your County Supervisor. Together we must never slow in our endeavors to improve District 1 and Butte County. With your continued help and support I will work for improved infrastructure, safer and cleaner communities and economic development.

The county budget is balanced and poised for economic development — development that will bring jobs. Our community will soon see a share of revenues produced by Lake Oroville. Our Veterans Memorial is closer to completion.

We have made great achievements, but must continue to work for a community where we are proud to raise our children. I will continue to fight for job creation and government that listens to the people. You and your family will always be my most important constituency.

I have greatly enjoyed serving you while working to improve this area I love and call home. I am a member of the American Legion, the Masons, Shriners, Eagles, Cattlemen's Association, Farm Bureau, Historical Society, and Native Sons. I have received many endorsements, but the most important endorsement is your vote. I humbly request you allow me to again serve you as the District 1 Supervisor.

Rancher / County Supervisor

During my time on the board of supervisors, we've balance our county budgets, increase law enforcement, passed strong restrictions on marijuana growing, increase flood protection and worked hard to encourage and support the creation of more jobs in our county.

Representing the rural communities of Butte County with our agricultural heritage is very important to me as a lifelong rancher, business owner and farmer. Protecting our freedom to farm, our property rights, supporting more water storage and keeping our communities safe will continue to my important priorities as your county supervisor.

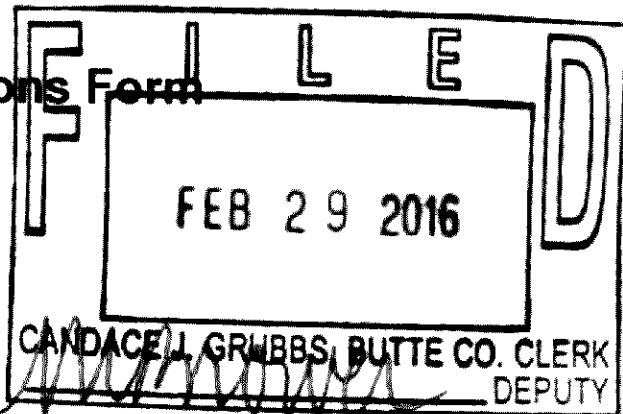

It is an honor to have earned your continued support and the respect of local leaders from throughout our district.

I appreciate the endorsements of Congressman Doug LaMalfa, Senator Jim Nielsen and Assemblyman James Gallagher because the strong working relationships I have with these representatives to support Butte County's interests is vitally important.

Representing the citizens of Butte County as fourth district Supervisor is a vital responsibility. We have accomplished a lot together, and still more must be done to make Butte County an even better place to live, work and raise a family.

I respectfully ask for your vote of confidence on June 7th.

I appreciate the opportunity to represent Butte County in my first term as your District 5 Supervisor. It was an honor to be selected Chair of the Board two years in a row. I have never missed a meeting.

Together with the other Supervisors and excellent employees, Butte County continues to maintain a balanced budget. My support of the Sheriff and his budget enabled increased patrolling. Our Paradise and Oroville libraries now each have a dedicated librarian and most will receive new technologies, enabling improved community services.

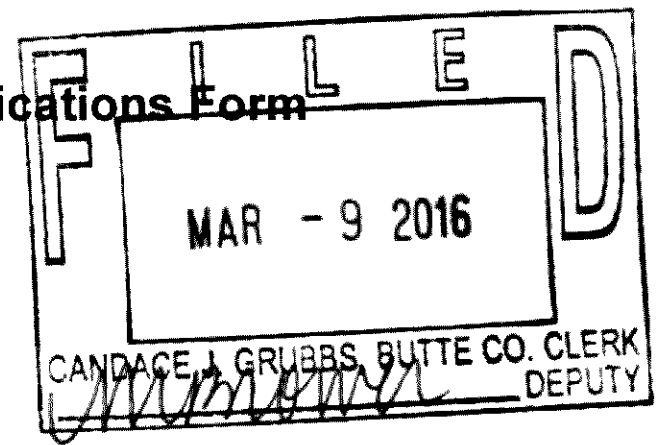

Through my leadership, the County has applied for and received over \$150,000 in grant funds which were used to maintain roads to access our national forests. I have held numerous town halls in Magalia, Stirling City, Butte Meadows, Butte Creek Canyon and Paradise in order to keep our citizens engaged in County business. I represent Butte County on the Fire Safe Council and the Board of Rural County Representatives of California, a thirty-five county service organization that champions State policies for rural counties.

A diverse group of safety professionals, business owners and citizens have endorsed my campaign. Call me anytime, 872-1852.

Please vote for Doug Teeter as your 5th District County Supervisor.

I've lived in Butte County since 1989. I worked in sales, and as a musician, until I started my company Swiss-Link, Inc. in 1996. My company imports and distributes military surplus from Europe. We also manufacture gas cans and storm bags. I manage and employ 12 people at my business in Paradise. I understand what it takes to have a great working relationship with my employees, and with my customers.

I believe that County Supervisors must have respect for the people and budget of Butte County, while also having a high respect for the land in Butte County. I am very concerned about fire safety in District 5, and will work to help prevent possible fire disasters. I will collaborate closely with Police, Fire, and other emergency agencies concerning the general safety of all Butte County citizens.

Agriculture, land, and water issues are important topics in Butte County, and I am looking forward to learning more about those issues, and working with all involved. I also am concerned with addressing mental health issues and homelessness. The job of a County Supervisor is an important one, and I am asking for your vote.
