<p><b>ANDREW COOLIDGE</b> <span style="float:right">Age: 39</span>  <b>Occupation:</b> Small Business Owner</p> <p>Chico is a wonderful place to live. It has been a great place to attend college, create a business, and raise a family. To maintain our small town charm and provide opportunities for our future, we must make improvements. As the producer of the Home and Garden Show and donation coordinator for the Silver Dollar Fair, I understand the recent difficulties for businesses in Chico. We must be proactive in order to not only survive, but to thrive.</p> <p>We need commonsense leadership.</p> <p>My priorities include: improvements to sidewalks, roadways, and drainage (many neighborhoods of Chico do not have safe areas for our children to walk to schools or for bicycles to ride on the road; drainage issues also cause flooding and inconvenience). Economic growth is essential (we must attract new businesses while making sure our current businesses are given the assistance they need to prosper). We must protect Bidwell Park while allowing everyone to enjoy its recreational amenities and beauty. I will fight to keep the Leaf Pick-up Program for homeowners. I am against raising downtown parking fees. I believe we are overdue in addressing bicycle safety issues. It's our city. Let's make it better together.</p> <p>CoolidgeChico.com / 530-864-8683.</p>	<p><b>TOBY SCHINDELBECK</b> <span style="float:right">Age: 34</span>  <b>Occupation:</b> Small Business Owner</p> <p>Chico has real problems: it is less safe to walk around in the park and downtown now then only a few short years ago, police and fire departments are being reduced, businesses are closing or relocating, our budget is not balanced, and we are on the verge of bankruptcy like many other California cities. The good news is that we can recover and pull out of this spiral, but we need new leadership to do it.</p> <p>Instead of the same "good ol' boys" who got us into this mess, what we need now are councilmembers with common sense who can get back to the basics of fiscal responsibility. As a government watchdog with a small business owner's common sense, I can help Chico implement business-friendly policies so that we can increase revenue without raising taxes. I currently own the NUTRISHOP nutrition stores in Chico, and as a business owner since age 19, I have the experience to trim the fat off of a budget and do more with less.</p> <p>Vote for me, Toby Schindelbeck, on November 6<sup>th</sup> or earlier by absentee ballot. The State's fiscal crises have caused unprecedented financial challenges that endanger our economic stability. In the last year alone, I have helped bring an estimated 75-fulltime equivalent, annualized jobs to the City of Chico and much needed revenue to restore our oldest community neighborhoods.</p> <p>As a job creator and self-employed professional financial manager, I understand how to coordinate capital and operating budgets and will place public safety as a top priority. We need safe streets where our children and seniors can be comfortable enjoying our parks and waterways. High density development must not be allowed to alter the character of our classic neighborhoods while still being affordable and maintaining a transit-centric urban core. <p><b>DAVE KELLEY</b> <span style="float: right;"><b>Age: 59</b></span>  <b>Occupation:</b> Architect/Local Businessman</p> <p>Now, more than ever, Chico needs a moderate non-partisan voice. A voice that actively supports local business, advocates for safe neighborhoods, a vibrant downtown core, and clearly promotes job creation. A voice that speaks up for Chico's environmental heritage and distinct community values, while advancing economic policies.</p> <p>I am the only candidate with any City of Chico Planning Commission experience. Three of my eight years of service, were as Chair during the 2030 General Plan Update. This direct public experience has taught me to listen, hear and respect the citizens. I have the ability to carefully weigh the facts and make independent decisions for the entire community. I understand what's necessary to find common ground and forge solutions together. My background as a California public school architect provides me with the knowledge to generate options, prioritize values and be fiscally responsible with public monies.</p> <p>You have a choice. If you want balanced community representation, and not narrow agendas or preconceived ideas, then choose Dave Kelley. You don't have to choose risky, unproven and untested candidates. Don't settle for special interest individuals. My vision for Chico is forward-looking, objective and focuses on measurable results. I have always sought positive changes for Chico. We need a fresh perspective resulting in positive and meaningful changes to the city we all love. I want to bring back our passion for Chico.</p> <p>The citizens should not bear the burden of poor budget decisions by our current city council. I plan to work with over 6500 existing businesses and landlords to lower fees and permits which will enable new economic growth. Passing the costs of poor planning in the form of a sales tax increase will only make our situation worse.</p> <p>What happened to Chico's Quality of life? Putting aside political alignments, we all deserve to have a safe place to live, have clean water/air, jobs, and recreation. We deserve an elected city council who will spend our tax dollars wisely and bring Chico back.</p> <p>I believe there are workable solutions that will change the fiscal direction of our city. My wife of 17 years and I are raising our two boys here. Chico is a magical place, but it didn't get this way by accident and we need leadership that will protect the future of our unique community. In recent years, our city council has not met the high standards our families and neighborhoods deserve: A safe place to raise a family, an ideal location for business, and a premier place to live.</p> <p>New leadership is needed to develop responsible plans to keep our city financially secure while prioritizing vital services like public safety. We cannot allow our city to become insolvent, like many other California cities. Promoting local business success and jobs will increase our tax base and make it possible for us to meet our goals without raising taxes.</p> <p>I pledge to tackle our challenges head-on and help return Chico to the thriving, dynamic city it was always meant to be. **BOB EVANS**

**Age: 66**

**Occupation:** Retired Business Manager

Do you know that Chico has continued to spend beyond its means? Alarmingly, we have already spent most of our reserves, including our emergency reserves! Also, we owe our Private Development Fund \$9,949,000 to bring it into balance, and we have \$63,700,000 in unfunded pension liabilities!

My commitment to you is to focus on solving these problems instead of outside issues like plastic bag bans and corporate personhood. My priorities include: insisting that your tax dollars are spent wisely, paying down Chico's debt to avoid any possibility of bankruptcy, and making economic development a top priority so local businesses can grow, create jobs, and increase revenues for the city budget.

I firmly believe that promoting economic development and protecting our environment can coexist; in fact, they must. Why? Both are essential to a quality community. Only when businesses thrive will we again afford to hire more police and firefighters, fix our aging streets, and create jobs for our unemployed. The arts community, the library, Bidwell Park, and all critical non-profits will benefit by improving our local business economy. The road to Chico's recovery begins when the Council commits to these goals.

I'm Bob Evans and I respectfully request your vote.

I am a native of Chico, raised by dedicated educators who served on the Butte County Board of Education. For over a decade, I have closely followed the issues and challenges faced by the BCOE. I am deeply committed to the mission and integrity of the Board and would consider it a great honor to serve as one of its members.

As a management consultant with over 20 years of local, national and international experience, I specialize in strategic planning, organizational change success, finance and conflict resolution. Over the coming years, the BCOE and the Board will face significant challenges in each of these areas.

Academically, I am a product of Butte County's public schools. I hold a BA with Honors from UCLA in International Economics and an MA with Honors in Government Administration from the University of Pennsylvania. Professionally, I have managed transactions totaling nearly \$2 billion, many of which involved privatizing public assets. I have served on several high profile boards, I speak Spanish and own a small business where I assist local entrepreneurs in starting businesses. For personal enjoyment, I practice martial arts and coach youth sports. I am the fortunate father of 3 beautiful children.

I know and understand the role and function of County Offices in the State of California, which is unique compared to ~~public~~ school districts. As an intermediate unit between the State and local school districts, it monitors and assists them as they prepare their annual budget. Also it acts as the appeal agency for a charter school disapproved by a local district. (BCOE provided an additional ten years for one charter which wasn't approved by a district).

So many programs and services are provided by BCOE that it requires time and experience to learn about them, such as Special, Migrant, and Indian Education, ROP, Juvenile Hall, Charter Schools, Technology, and Mini-Corps

During my time on the Butte County Board we have approved transfers of territory from one district to another and transfers of students in order to assist parents and improve educational opportunities.

Local school districts and BCOE face significant problems <sup>in the future</sup> ~~during the next four years~~.  
Elect someone who has the knowledge and skill to provide strong leadership.

I have enjoyed <sup>14 years</sup> ~~my service~~ on the County Board, and look forward to <sup>future</sup> ~~the~~ challenges of ~~the future~~. Thanks, Chico!

I am a third generation Chico resident and graduate from Pleasant Valley High School. My two children attended Chico schools and my wife taught at Chapman School. I served as a principal in Chico Unified for 16 years before becoming a district superintendent of two K-8 school districts in Northern California.

My 35 years of professional commitment to public education as a teacher, administrator, and school board member gives me unique qualifications, knowledge, and passion to serve our students on the Butte County Board of Education. I have a teaching credential, B.S. and Masters degree. As a Board member, I am committed to ensuring that the Butte County Office of Education supports school districts and charter schools to provide quality education for all students in Butte County.

My experience beyond education includes community involvement with United Way, Rotary, and Far West Heritage Association. I help manage our family walnut ranch and business properties. These experiences give me a broad knowledge base to promote sound policies effecting our schools.

I respectfully ask for your vote so I can continue to promote quality education on the Butte County Board of Education.

I am a Trustee for the Butte/Glenn Community College District seeking your vote so that, together with the other six Trustees, we can continue the leadership that has made Butte College one of the best run and highest regarded community colleges in California. I am a product of the Community College system, having obtained my AA degree in 1968. I went on to earn a BA and Masters of Business Administration through the California State College system, leading to a professional career in the management, organization, and financial challenges of running a business. Committed to community service, I have been an instructor at Butte College as well as President of the College Foundation and now a Trustee. Bringing a business background to the difficult times that all colleges face insures the best in tough decision making, strict financial accountability and visionary solutions to old and emerging problems. If you give me your vote, I will give you the best of my abilities and a 110% commitment to meet the needs of education at Butte/Glenn Community College for you, your children and everyone who makes up our shared community. Thank you for your vote and support!

**CANDACE J. GRUBBS**  
Butte County Clerk-Recorder

As a father of one, a step father of two, and intentions of having another child, I have a vested interest in the success of our schools here in Chico as one is already attending a school in the CUSD system, and the rest will follow as they enter school. I have been frustrated by some of the decisions of the past, and feel that sound, common sense policies have sometimes taken the back seat to politics. The decision to ban bake sales sticks out as an example.

I'm a Marriage and Family Therapist and worked within the schools for over 6 years, both in Oroville and in Chico, prior to moving into my current role as supervisor for clinicians working in the schools. My experience gives me insight into the school system that is unique. I am an active board member for the ARC of Butte County with over a year of experience in that role. I will work towards fiscal responsibility, early identification of at-risk youth, increased student achievement, success, and safety. I will strive for what is in the best interest of the students, teachers, and community. I ask, humbly, for your support.

Candidate Statement for Linda Hovey  
Chico Unified School Board

Butte County Clerk-Recorder

As a mother and grandmother, long time public school employee and former elementary school board member, I will bring many years of experience and perspective to this position.

I am recently retired as a school business manager and have over ten years of experience with California school budgets and finance. I will ensure that our District budgets are balanced in these difficult financial times and that resources are devoted to the academic programs with a proven track record of success.

It is well documented that not all children learn in the same way, which is one reason why I believe in the importance of educating the whole child by incorporating music, sports and the arts into our educational programs. We also must ensure that our children are adequately trained for jobs of the future in science, technology and engineering so that they can compete in a global economy. I will work with district staff to keep and improve these programs in our schools while maintaining high academic achievement.

I feel it is our duty to provide the very best education for all the children in our community, regardless of which school they attend. Students are my agenda.

I am running for the governing board of the Durham Unified School District because I value public service. I grew up in Chico, and returned to the area with my husband to raise our children in a small-town environment. We settled in Durham in part based on the excellent reputation of its schools. Since then, I have been actively involved in my children's classrooms and school events, while also co-leading a local Girl Scout troop.

My professional background is well-suited to the office of board member. For most of my career I have worked as a college instructor. I currently teach part-time at California State University, Chico. My courses focus on effective written and oral communication, small group decision-making, and ethics. In addition to teaching, I worked for several years as an attorney. This law background should enable me to interpret and apply the rules and regulations under which the DUSD must operate, as well as to manage the conflicts that can arise when there are not enough resources to go around.

If elected, I hope to draw on this background to help steer the DUSD through challenging financial times. Thank you for your vote.

It is my strongest, most basic belief that our public schools are America's greatest asset. We have become the greatest nation in the world because we educate all our citizens to the highest possible degree. Our schools' Boards of Trustees are an essential part of our educational system.

As a life-long educator – both a teacher and an administrator – I have been involved in the accreditation – the evaluation, verification and certification – of schools more than 100 times. I've accredited schools in several states (more than 60 in California) and 16 countries. Everywhere I've been I've heard praise for America's schools. I still work, part-time, as a special consultant (and trouble-shooter) for WASC (Western Association of Schools and Colleges), the organization that accredits all schools and colleges in California. I'm a former President of WASC, as well.

I believe I have the knowledge and first-hand experience to serve productively and positively in continuing the progress and improvement of Gridley's schools. Among the other positions I've held are two superintendencies of districts in Northern California, similar to Gridley. I'd appreciate your vote for Gridley's Board; I'll always listen and make a sincere effort to serve you and all our children.

I have been a dedicated Paradise Unified School District volunteer for 16 years, including the last 4 as a school board member. My experiences as a parent volunteer included serving as a School Site Council president, Ponderosa Parent Organization member and Superintendent Parent Advisory member. I also served on 3 budget committees, getting my first look at school finances. I came to the board with a parental background. My philosophy as a board member these past 4 years has been to look at all sides of an issue and vote in a way that would support student success while maintaining the health and stability of our school district.

With PUSD facing major fiscal challenges these last 4 years, we have been able to establish or maintain valued school programs that I supported. Some of these include school safety, E Learning Academy, advanced placement, vocational and music courses, and the new high school gymnasium.

Thank you for considering me for re-election as a governing board member for the Paradise Unified School District. I support and believe in our students, our school district, and our community. Even under tough budgetary times, I will continue to make decisions that best support them.

Our school district, like every government agency, is facing difficult financial times. I will continue to keep our schools on strong financial ground. I understand the budget and will continue to monitor it closely. It must reflect priorities that will provide quality education and support for our students.

We must continue to look to the future. I am committed to providing education for the children of our community that will prepare them for their future. We must make sure they master traditional basic skills as well as the new basic skills in technology and critical thinking needed to be successful. We must meet the needs of both students planning to go to college and those planning to go directly into the workforce. We need to respect and value all of our children. I will continue to work to assure our community has first class schools that prepare our children for their future.

I want our school board to work toward having the finest schools for our children. Second best is not acceptable. If you give me your vote, I will continue to work tirelessly on your behalf and for public education in our community.

Under my skilled stewardship our district has maintained a quality education system for our students, despite disastrous financial reductions by the state. The district's current positive position, despite the calamity of the state's budget, is a result of the sound business judgment of an experienced PUSD board. During these difficult times, it is absolutely vital to have prudent and experienced leadership at the helm to ensure the existence of good education for our community's young people.

Knowing the importance of public education, owning a local business, and being a mother of two I want the best for our community and schools. Having a Bachelor's degree in Human Services, and a Master's in Education, along with being a businesswoman I find myself ready and willing to advance our school system to be the best it can be.

Children and education are my life passion. We need high academic standards and labor accountability. For too long in our education system children have been placed second, and academic standards have fallen to new lows. This has got to change. If elected, I will work hard to ensure that every dollar benefits our children. Student success will remain my top priority by working closely with parents, community members, and staff.

As a school board member and representative, I will not forget where our tax dollars come from and who pays the bills; it is you, your families and our community who supports our school system. Our voice should not be drowned out by other self serving agendas.

I am asking for your vote for the Paradise School Board because I have the passion, desire, and commitment that this community deserves.

Age: 42 Occupation: Clinical Supervisor/Educator

I am honored to be considered as a candidate for the Governing Board of the Thermalito Union School District (TUSD.) During my seven year tenure as a counselor in TUSD, I grew to greatly admire the school administration, teachers, staff, and student community. I feel strongly about supporting their continued growth and success. As a member of the Board, I will make every attempt to foster this growth and success via prioritizing accountability at all levels, putting students first, and being a voice for district employees.

I am licensed as a Clinical Social Worker and hold a Pupil Personnel Services Credential in School Social Work. I am currently employed full time as a Clinical Supervisor for a private non-profit counseling agency, which provides school-based and home-based counseling services to at-risk youth. I am also an Adjunct Faculty at CSU, Chico in the Social Work department. I live in Thermalito with my two young children and feel excited about this opportunity to give back to our community. <b>COUNTY SUPERVISOR, 5TH DISTRICT</b>		<b>COUNTY SUPERVISOR, 5TH DISTRICT</b>	
<p><b>DOUG TEETER</b> <span style="float: right;"><b>Age: 44</b></span>  <b>Occupation:</b> Small Business Owner</p> <p>In the June primary I made a promise to listen to the citizens of Butte County. To work towards that commitment, I personally knocked on over a thousand doors. Key issues I heard regarding our County government were balanced budgets, fire and vital services, streamline government, water rights and resource protection.</p> <p>I will work vigorously to provide balanced budgets that will not sacrifice the funding for fire, sheriff/police and other vital services. I believe deficit spending and fire station brownouts have no place in our County.</p> <p>I will provide leadership that pursues continual streamlining of our government. I believe our Supervisors must take the lead to reduce bureaucracy that is limiting our economic growth and threatening our freedoms.</p> <p>I will represent your rights to our water. I believe the State must compensate us for water that originates within our County. With my eight years of experience serving on the Paradise Town Council and Planning Commission, I have developed a clear, conservative understanding of what government should do and shouldn't do. I believe high unemployment and the constant assaults on our rights are the negative results of too much bureaucracy. We need less government and that's why I want to serve as your Supervisor.</p> <p>My priorities will be to create a job-friendly County, increase public safety, provide better roads and services, and decrease bureaucracy. I will fight for your rights as a taxpayer and with a \$460 million County budget we can do it, but it will take fiscal restraint and responsibility to prioritize every item. I will not vote to raise taxes.</p> <p>Taxpayers deserve a life of financial independence and are entitled to the enjoyment of their liberties. This is a great Agency to work with; the Administration is forward thinking and decisive. The staff is knowledgeable, dedicated and talented. My fellow Directors are equally dedicated to continuing to preserve the Agency heritage.</p> <p>Reduced domestic and irrigation water rates, renovations to existing infrastructure and continued stewardship of our existing resources are just a few of the highlights of the last four years service. I look forward to serving Division 2 for the next four years and continuing to vote to "Protect Our Water". Thank-you for your vote on November 6<sup>th</sup>.</p>

**MEMBER OF THE STATE ASSEMBLY, 1ST DISTRICT**

**RICK BOSETTI**

**Occupation: Businessman Redding Councilman**

I've spent my life working in the private sector, creating jobs and signing paychecks for working families in the 1<sup>st</sup> District and I'll bring this experience to the Assembly. Sacramento has failed to stop the growth of government, the overspending, the crushing regulations, overzealous environmentalism and taxes driving businesses out of the state.

Oppose Higher Taxes. My opposition to raising taxes earned me the endorsement of the Howard Jarvis Taxpayers Association, National Tax Limitation Committee, Assemblyman Jim Nielsen, former Senator Maurice Johannessen and former Assemblyman Stan Statham.

Support Pension Reform. In 2010, I was proud to help author the first pension measure in a general law city in California to save taxpayers money and balance our budget. As your legislator, I'll help get California back on track.

Pro-Business. The CA Small Business Association and Sierra Pacific Industries endorse me. I will reduce the regulations and taxes that make it increasingly difficult to create and maintain a business in California.

In 2006, I was elected to the Redding City Council, and was chosen to serve as Mayor and Vice Mayor. Under my leadership, the Council has pushed fiscally conservative policies, balancing budgets and building reserves, all while protecting essential services.

**MEMBER OF THE STATE ASSEMBLY, 1ST DISTRICT**

**BRIAN DAHLE**

As a third-generation farmer, businessman, and a four-term Lassen County Supervisor, I know how difficult it is for businesses and families to survive. You can be certain, I'll fight to end mandates and fees that are putting small businesses out of business, and I'll oppose any attempts to raise taxes on hard working families.

Under my leadership, Lassen County has a balanced budget and is debt free. In the Assembly, I'll fight to create a balanced budget and focus on priorities like public safety and making it easier for small businesses to grow and create jobs.

I'll protect north state water rights and oppose any plans to ship our water to Southern California. That's one reason my candidacy is supported by twenty-four local County Supervisors and the Farm Bureaus of Shasta, Siskiyou, Sierra, Plumas, Nevada, Lassen, and Modoc Counties.

I believe in a hand-up, not a handout. I believe in individual responsibility and strong families. I believe in private property rights and the right to own firearms. I believe we must secure our borders and promote public safety.

California once led the world in economic vitality; today industries are leaving the State, gas prices are soaring, and food costs continue to climb. Your family deserves better. Together, we can restore the Golden State. I will work as hard for you and your family as I do my own. If you have any questions, my cell phone number is (530) 251-3888 or email [Brian@BrianDahle.com](mailto:Brian@BrianDahle.com). Thank you for your consideration.
