MEMBER OF THE STATE ASSEMBLY, 3rd DISTRICT

DAN LOGUE, REPUBLICAN Age: 57
Occupation: Yuba County Supervisor Business Owner

There's a reason why Senator Sam Aanestad, Assemblyman Rick Keene, former Senator Tim Leslie, the National Tax Limitation Committee PAC and the Chairman of the Butte County Republican Party support me for Assembly.

I'm a Reagan Republican who opposes higher taxes, giveaways to illegal immigrants, and excessive spending. "As Yuba County Supervisor, Dan Logue used his business experience to balance every budget by cutting waste and not raising taxes. He even cut his own salary by 10% to set an example." – Senator Sam Aanestad.

I'll save tax dollars and cut crime by pushing to secure the border. I will push to deport illegal immigrant rapists, murderers and violent criminals to prisons in their home countries – because California taxpayers spend \$750 million to jail those here illegally. I will oppose taxpayer-financed benefits like subsidized college tuition for illegal immigrants. I will protect English as California's official language. I signed the NO New Taxes pledge and will oppose all efforts to raise taxes and weaken Proposition 13.

A devoted patriot, I was proud to lead the effort to build two world-class veterans memorials in honor of our fallen heroes. My strong conservative values earned me the California Republican Party's Northeast Chairman's Patriot Award and the support of California Young Americans for Freedom and California Young Republicans, Inc.. I served as county Co-Chairman of Ronald Reagan for President, and am a member California Republican State Central Committee. In the words of President Reagan, "Man is not free unless government is limited."

COUNTY SUPERVISOR, 1st DISTRICT	COUNTY SUPERVISOR, 1st DISTRICT
<p>GORDON ANDOE Occupation: Retired Businessman</p> <p>Born and raised in South Oroville. My wife and I raised 2 sons and operated a small business in the community for 30+years.</p> <p>Public service began as Board member of South Feather Water & Power Agency, which I also served as Chairman. Then elected to Oroville City Council, serving seven-years as Mayor. We transitioned from a City beset with overwhelming problems to a progressive/problem solving City. As Mayor, I served on countywide commissions including BCAG, which I Chaired for four years; during that time we put together the Hwy 149/70 project. I was actively engaged in negotiations with the State for the re-licensing of Oroville Dam. We negotiated an agreement that could bring in over \$1,000,000/year for 50-years for improvements in the District.</p> <p>The relationship of Oroville, Butte County, and other agencies must be a seamless stream of cooperation and communication; the citizens of District 1 deserve no less. I believe the time is here to seize the opportunities for District 1's neighborhoods. Butte County has a "necklace of beauty" and District 1 is one of its jewels that needs care, attention and good representation. Please join me to improve our image and reputation and Vote Gordon Andoe for your District 1 Supervisor.</p>	<p>BILL CONNELLY Age: 54 Occupation: Contractor/County Supervisor District 1</p> <p>As the County Supervisor of District 1 it has been an honor and a pleasure to work for change on your behalf, and to actually see it happen. Our community is cleaner, attracts more jobs, and is safer from fire and crime. Highway 70 is being improved and Highway 149 has been completed. Over the last four years we have made a difference. We have only just begun.</p> <p>To make our community a better place to live, we must continue to work together. We will demand our fair share of the revenues produced by the Oroville Dam Project. We will find a way to honor our Veterans while providing our children safe, clean parks and recreation areas. We will work to provide better care for our senior citizens.</p> <p>I have greatly enjoyed serving you while working to improve this area that I love and call home. I am a member of the American Legion, the Masons, Shriners, Eagles, Cattleman's Association, Historical Society, and Native Son's among other organizations where I have received many endorsements.</p> <p>The most important endorsement is your vote. I humbly request that you keep change coming by allowing me to serve you as the District 1 Supervisor.</p>

COUNTY SUPERVISOR, 4th DISTRICT	COUNTY SUPERVISOR, 4th DISTRICT
<p>STEVE LAMBERT</p> <p>The 4th District needs a Supervisor that understands the balance between positive growth, rural preservation, protecting taxpayers and our water. I've had the good fortune to operate a small business, Lambert Feed & Garden, a purebred cattle/hay ranch, and to serve as mayor of Paradise. Through hard work and sound financial management, my family has been able to grow a successful business, allowing me the opportunity to give back to our community. I currently serve as a director of both the Farm Bureau and the Butte County Economic Development Corporation. I also serve on the Biggs and Las Plumas Ag Advisory Committees, and support FFA and 4-H.</p> <p>I have the ability to listen to the people of the district, and to lead and follow through with conviction on the issues most important to our communities and families. I've been blessed with a loving and supportive wife of 20 years, and three wonderful children.</p> <p>My goal is to work together with you to move the 4th District in a positive direction that builds a future for our children and grandchildren that we all can be proud of. Please feel free to contact me at 533-4447. I respectfully ask for your vote on June 3rd.</p>	<p>JOHN BYRNE Age: 43 Occupation: Real Estate Investor</p> <p>As a long time resident of Butte County, I have always been an involved leader of my community. I received my Bachelors degree from Chico State University. As a real state investor, I have worked extensively with the City of Chico, City of Oroville and various county departments throughout my career. Experience has taught me that economic diversity is the key to financial success, both in business and in our county. Our rural communities such as Durham, Biggs and Gridley need more of a tax base in order to rebuild their schools and bring them up to the highest quality for the students. We can strengthen our tax base by recruiting new businesses to locate within those areas while complimenting our agricultural community. Families are the cornerstone of our community and we need better paying jobs to keep families here. Agriculture is the bedrock of this district, and protecting agricultural values and water rights are my primary concerns. Without water we have nothing. As your Supervisor I will work to protect our water and to promote economic growth. I will also make sure that our schools and public safety will be protected. I humbly ask for your vote.
